## **Beyond Point-and-Shoot: Learning to Use a Digital SLR or ...**

Beyond Point-and-Shoot by Darrell Young is a book that any camera owner who wants to improve their approach to photography should read. Mr. Young has drawn upon his experience as a professional photographer to explain the advantages of a Digital SLR or other interchangeable-lens camera over a simpler point-and-shoot model. A major advantage of the more advanced type camera is the control available to the user in capturing an image.
