Books My Name Is Memory

My Name is Memory is in huge contention for the most romantic book I have ever laid hands on. The story of Daniel is one that is both fascinating and unnerving. I found the concept of reincarnation common enough, but to carry the memory of it all - both a gift and a curse to our hero - is a fresh albeit as intriguing twist to the idea.

My Name Is Memory by Ann Brashares - Goodreads

My Name is Memory is a novel written in 2010 by Ann Brashares, author of the best-selling young adult series The Sisterhood of the Traveling Pants. The novel is centered on a mysterious young boy named Daniel, and Sophia, the girl he has spent lifetimes searching for; as he races against time to spur her lost memories of him before his vengeful, centuries-old brother Joaquim finds them.

My Name is Memory is an excellent book until the ending which was the worst ending of any book that I have read in 44 years of reading. The ending was written as a cliffhanger to a sequel which has never been published. I know that the book did not do well enough to publish a sequel but in this day and age Anne could do a self-published book.
