effective study tip for hands-on learners is to keep their hands or fingers moving while they study. This can mean writing out the items or information being reviewed, or even typing their notes to reinforce every bit of information through the movement of the fingers and the sense of touch against the keyboard.

During my CPA journey, I read every single CPA study guide that I could get my hands on and none of them actually told me how to study for the CPA exam. To my surprise, even the top CPA review courses don't actually tell you how to study. Some of them include tips or a simple guide through the CPA exam process; i.e. applying for the exam.
