The executive branch of the federal government ensures that the laws of the United States are obeyed. In carrying out this duty, the President of the United States is assisted by the Vice President, department heads - called Cabinet Secretaries - and the heads of the several independent agencies.

## **Introduction to the Structure of U.S.**

# Download Free How The U S Government **Government**

The Executive Branch of government is headed by the President of the United States. He also acts as the head of state in diplomatic relations and as Commander-in-Chief for all U.S. branches of the armed forces. The President is responsible for implementing and enforcing the laws written by Congress.
