### **María Sabina And Her Mushroom**

María Sabina Magdalena García (22 July 1894 – 22 November 1985) was a Mazatec sabia, or curandera, who lived in Huautla de Jiménez, a town in the Sierra Mazateca area of the Mexican state of Oaxaca in southern Mexico. Her healing sacred mushroom ceremonies, called veladas, were based on the use of psilocybin mushrooms, such as Psilocybe cyanescens.

### **María Sabina - Wikipedia**

Sabina would go to the mountains to ask the spirits for power to defeat evil. Knowing and understanding are not the same thing. Wasson's recounts of his relationship with María Sabina let us know more about her life than just the image many tabloids wrote about the old indigenous woman who smoked marihuana.

### **María Sabina: The Untold Stories Of The Mushroom Healer ...**

Sabina knew her place in the rituals was simply to be a guide, as the mushrooms took each individual on their own unique journey. Her rituals consisted of spreading San Pedro—a mixture of mezcal, lime, and garlic—on the participant, evoking strength and courage.

### **María Sabina: The Mazatec Magic Mushroom Woman**

Text of a shamanic ceremony performed on the night of 12-13 July 1958 by María Sabina in the Mazatec village of Huautla de Jiménez, Oaxaca. Text in Mazatec with English and Spanish translations. Four audio cassettes and four audio LP records: musical score to accompany the text and records.

### **María Sabina and Her Mazatec Mushroom Velada: R. Gordon ...**

I think it is easy to simplify this issue of María Sabina, to view her as a passive victim of a soulless force. But I think a deeper reading of her life reveals much more. I spent a year working amongst the Mazatec in Huautla de Jimenez, studying the mushroom tradition. I lived within 100 yards of where Sabina lived before her passing.

### **The Tragedy of María Sabina | Singing to the Plants**

But it wasn't until an amateur mushroom enthusiast and bank executive named R. Gordon Wasson tracked her down that María Sabina became something like a global psychedelic superstar and ...

### **Meet María Sabina, the Oaxacan Curandera Who Brought Magic ...**

M aría Sabina was well-respected in the village as a healer and shaman. She'd been consuming psilocybin mushrooms regularly since she was seven years old, and had performed the velada mushroom ceremony for over 30 years before Wasson arrived.. The intention of the all-night velada was to commune with God to heal the sick. The spirits, if effectively contacted, would tell Sabina the nature ...

### **This Mexican medicine woman hipped America to magic ...**

Who is María Sabina?. María Sabina was a Mazatec Shaman from Southern Mexico, born in 1894. She first discovered the sacred magic mushrooms realms at the tender age of 7. Being from a family of shamans, it was normal for her to be curious about the local healing plants. Aged eight, María was given her first healing message from the mushrooms ...

### **Psychedelic Profiles: María Sabina | Magic Mushrooms Shop Blog**

Mazatec shaman, sabia, curandera María Sabina was born in the little village Huautla de Jimenez, Oaxaca, Mexico where she lived a normal childhood. Normal, until her 7th/8th year when she recognized, together with her sister, some small mushrooms that were growing underneath a tree. These mushrooms looked exactly like the ones a local curandero used [...]

### **María Sabina - Mushplanet**

As far as the rest of the world is concerned, Huautla de Jimenez and the Sierra Mazateca were “discovered” in 1955, when the American banker and amateur “ethnomycologist” Gordon Wasson visited the town and consumed psilocybin “magic” mushrooms with the curer María Sabina. He was impressed by what he experienced and, although he had promised to keep her identity a secret, he ...

### **Undiscovering Huautla: City of the Magic Mushrooms | Ben ...**

María Sabina’s alleged words, in Alvaro Estrada’s version of her autobiography, are in this case quite direct – “the foreigners ruined everything.” But she often says something else entirely, and to take this quote from Estrada is to ignore a much more complex situation (which is not to say that Huautla’s more direct incorporation into a global economy has had some awful consequences).

### **María Sabina: Magic mushrooms and silencing the saint ...**

Despite Wasson’s attempts to keep Doña María’s identity a secret, the story of the Mazatec witch and her mushrooms of wonder spread throughout the west like wildfire—from the halls of Harvard to the back-beat streets of big town America (when R. Gordon Wasson first wrote of María Sabina and her Veladas in Life magazine (13 May 1957), he referred to her as Eva Mendez, a pseudonym intended ...

### **Erowid Psilocybin Mushroom Vault : María Sabina: Saint ...**

Over time, the story of María Sabina, her fame, and her mystery, caught the attention of media and personalities from many parts of the world and from other disciplines. One of the first was an American, Robert Gordon Wasson, an economist by profession, best known for his studies in ethnobotany (the interaction between humans and plants).

### **María Sabina, a most fascinating Mexican healer - Aleph**

"In her village, Doña María was exalted as a "sabia" (wise one), and was known among many as a "curandera de primera catagoria" (of the highest quality) and an "una señora sin mancha' (a woman without stain) In 1955, María Sabina was visited by R. Gordon Wasson, who was freelancing as a journalist at the time. She reluctantly introduced him to psilocybin mushrooms amidst a healing ceremony ...
