The Mazda 3 replaced the old 323 and was aimed very much as a small family car. The range of engines and options are limited but the larger engined models give a good basis for tuning. We would recommend the 2.0 or better still if you can source a 2.3 litre model you have a better basis for your tuning project. Sadly the smaller 1.4-1.6 engines do not have a lot to give without spending a ...
