### New Histology Basic Science Subject Exam Launches ... - NBME

Just thought it would ask the community about the do's and dont's in regards to prep for the histology NBME I have in less than a week. So far I have been basing my revision on BRS, Lippincott Histology and some of Pretest Histology. However I find that the Pretest questions are a whole lot more difficult than Lippincott - and this stresses me out.

One strategy I definitely recommend 6-7 days out is pounding through large numbers of questions everyday (like 4 blocks of UWorld). You should be able to do this relatively quickly if your knowledge base has been well shaped at this point. For NBME 6, pay more attention to your % correct than the actual score. The curve is quite ridiculous.
