Quality manufacturer technical manuals are rare. For one reason, they are difficult and time consuming to create. For another reason, certain techniques are common to all pianos and many manufacturers just simply assume technicians know all the steps. However that can be a dangerous assumption. Here are a couple technical manuals from Steinway and Kawai. [...]

Factory Technical Manuals - Eric Johnson Pianos

Many of the instructions and procedures outlined in this manual will also apply to other brands of pianos which make it an overall good resource for learning how to service pianos. It also includes a notepad folio with the Steinway logo imprinted on it. This is an original Steinway product. Topics by chapter are:

Care of a Steinway piano. The piano components are finished with different treatments. Caring for these surfaces must be performed with great care. To clean matt-finish surface, we recommend using a soft cloth slightly moistened with non-abrasive detergent and applied with slight pressure in clockwise motion.
