The handbook has just two sentences on voting rights: The first says people convicted of felonies in Idaho can't vote unless they've had their civil rights restored. The second says inmates "may be...

Voting nearly impossible for eligible voters behind bars ...

This article explores natural law theory as traditional and then modern theory. The former works with the idea of natural right but, unlike the latter, has no concept of natural or human rights. Classical natural law theory offers reason for considering general descriptions of law fruitful only if their basic conceptual structure is derived from the understanding of good reasons.

Natural Law: The Classical Tradition - Oxford Handbooks

The Operational Law Handbook was originally published in 1987. It is designed and written for junior and mid-level Judge Advocates practicing operational law. The size and contents of the Handbook are controlled by this focus. Frequently, the authors were forced to strike a balance between the temptation to include more information
