In the free section of the Google eBookstore, you'll find a ton of free books from a variety of genres. Look here for bestsellers, favorite classics, and more. Books are available in several formats, and you can also check out ratings and reviews from other users.

## Whatshisface

Whatshisface is not a realistic fiction novel with a life lesson like Restart, not a kid detective book like Korman's Swindle series nor is it the action adventure of of The Island or On the Run. It does have a few similarities to Slacker—middle grade main character with a school related problem plus a bit of humor.
