### 5k Engine Timing

Bmw partnered and covered 1/2 of engine replacement. Cost me \$5000 after all said and done. Timing chain sprocket is plastic and breaks down into engine and ruins engine. I'm trying to get my \$5k back through this lawsuit. But I don't know what you do since you missed the lawsuit timeliness. Bmw should pay for replacement

### BMW Timing Chain Class Action Settlement - Top Class Actions

For years, the largest "B" engine was the 383 cubic inch V8. The company created a raised block with the 1959 cars; the new "RB series" would go up to 440 cubic inches. The numerous engine sizes raised costs a bit, so Chrysler started working to standardize all the big block engines on a 4.32" bore (according to racer and historian Rick Ehrenberg).). Using that bore with the 383's existing ...
