A fill is a color, pattern, or gradient inside an object. You can apply fills to open and closed objects and to faces of Live Paint groups. A stroke can be the visible outline of an object, a path, or the edge of a Live Paint group. You can control the width and color of a stroke. You can also create dashed strokes using Path options, and paint stylized strokes using brushes.

### **How to paint with fills and strokes in Illustrator**

A sentimental gift they'll truly hang on to, this gold-dipped brass frame will keep their favorite fortunes safe. Whenever they're in need of a reminder or a little motivation, they can look back on their fortunes and get that little boost—and with the attached three-use easel, they can keep them somewhere visible so those precious fortunes never get lost.
