The times and life and works of Maimonides - The Royal Library

In The Guide for the Perplexed, Maimonides declares his intention to conceal from the average reader his explanations of Sod esoteric meanings of Torah. The nature of these "secrets" is debated. Religious Jewish rationalists, and the mainstream academic view, read Maimonides' Aristotelianism as a mutually-exclusive alternative metaphysics to Kabbalah . [92]

Maimonides, then and now. - Free Online Library

Maimonides presents a challenge to the modern reader because his view of truth is totally unhistorical. We saw that he was guided by the need to systematize. Given 613 original commandments, he argues that all are means to the fulfillment of the first two, which he interprets as belief in the existence of God and rejection of idolatry. [4]
