### A Philosophy Of Evil Lars

Lars Svendsen is to be praised for sticking to a logical and deeply analytical book which looks at what humans experience as evil. We do not want to force people to have sex with their fathers on pain of death or to murder millions and bayonet children for fun but some people on the planet have done these things and these crimes against humanity's moral and ethical hopes have to be tackled in an unemotional way.

According to Svendsen, humane is the root of evil. Every of us is both good and evil. Though the portion of good and evil are varied for different individuals. Only when we come to accept that we're all capable of committing evil acts, that evil is not an external theology, do we stand a chance against it.
