Punggol Cove Primary School Admission Matters

As an admission condition, all incoming students (excluding non-graduating students and continuing & professional education students) are required to undergo a medical examination. The University reserves the right to refuse admission to or exclude a student from any particular course of study if he/she declines to undergo the health examinations or refuse any prescribed tests.

Administrative Matters - NUS

Or is neglecting race as a factor in admissions denying the reality that many students endure racism as an impediment to academic progress? Rising from the heat of those passions are complicated data points that both backers and opponents of Proposition 16 — the November ballot item that asks voters to lift the ban on affirmative action — plan to use in the run up to the fall election.
