Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

A few weeks ago, I tried (re)watching Tim Burton's *Alice In Wonderland* and if I wasn't stuck on a two hour bus ride, I would have turned the film off. To be honest, I don't like Tim Burton's work, but my feelings for the director aside, I desperately want to like *Alice in Wonderland*. It's a speculative fiction story with a female hero!
