In Chapter 4 we will make our case for that position. The second distinction is that in contrast to introducing words before a story, in our work with young children we have found it most appropriate to engage in vocabulary activities after a story has been read.

Choosing Words to Teach - Reading Rockets

Dr. Martin Luther King, Jr., is known for being one of the greatest orators of the twentieth century, and perhaps in all of American history. In the 1950s and 1960s, his words led the Civil Rights Movement and helped change society. He is best known for helping achieve civil equality for African Americans, but these speeches--selected because they were each presented at a turning point in the ...
