It's been a turbulent few weeks ahead of the Ninth Summit of the Americas, hosted by the U.S. in Los Angeles, California. Questions are piling up around the issues that are likely to dominate the talks, what commitments will be announced, and what has happened to relations between the United States and the rest of the region since the first gathering of this type was held in 1994.

The Spanish found little organized resistance among the weakened Maya upon their arrival in the 1520s. However, they did find Mayan history, in the form of glyphs, or pictures representing words, recorded in folding books called codices (the singular is codex). In 1562, Bishop Diego de Landa, who feared the converted Native people had reverted to their traditional religious practices, collected ...
