What It Is. The original ANA definition of nursing peer review stands today as an appropriate description of the process:

Nursing Peer Review | Essentials of Correctional Nursing

Other organizational practices may violate the peer review guidelines set forth 1988 by the ANA 1988. The most frequent violation is the performance of direct care peer review by managers. One of the reasons for the confusion is that the ANA guidelines for peer review had been out of print prior to being reprinted and updated in 2011.
