The reason I find Aristotle's Rhetoric to be of such interest is because he wrote on the topic not for his own curiosity or even for the sake of knowledge itself. In many ways Rhetoric is very much a public service announcement. It is the philosopher's attempt to better humanity by equipping us with the tools to guide our fellow man away from ignorance, away from prejudice, and toward the light of understanding.

Background. Aristotle is generally credited with developing the basics of the system of rhetoric that "thereafter served as its touchstone", influencing the development of rhetorical theory from ancient through modern times. The Rhetoric is regarded by most rhetoricians as "the most important single work on persuasion ever written." Gross and Walzer concur, indicating that, just as Alfred ...

Rhetoric (Aristotle) - Wikipedia

Rhetoric in Ancient Greece: Aristotle and The Art of Rhetoric While the great philosopher Aristotle criticized the Sophists' misuse of rhetoric, he did see it as a useful tool in helping audiences see and understand truth. In his treatise, The Art of Rhetoric, Aristotle established a system of understanding and teaching rhetoric.

Classical Rhetoric: A Brief History | The Art of Manliness

Through Rhetoric, a treatise on the art of persuasion, Aristotle is also credited with developing the basics of rhetoric and influencing the development of rhetorical theory from ancient through modern times. Aristotle's Rhetoric proposes that a speaker may use three types of appeals to persuade his audience: ethos, an appeal to the speaker's character; pathos, an appeal to the audience's emotion; and logos, an appeal to logical reasoning.

For some, philosophy and rhetoric have become conflated, with rhetoric itself being a further conflation of the subject matter Aristotle discusses not only in his Rhetoric but also in his Topics, which he had designed for dialectics, for disputation among experts. According to this view, philosophers engage in a rhetorical transaction that seeks to persuade through a dialogic process first themselves and then, by means of their utterances, others.
