Art is a way of grasping the world. Not merely the physical world, which is what science attempts to do; but the whole world, and specifically, the human world, the world of society and spiritual experience. Art emerged around 50,000 years ago, long before cities and civilisation, yet in forms to which we can still directly relate.

Positive thinking doesn't mean that you keep your head in the sand and ignore life's less pleasant situations. Positive thinking just means that you approach unpleasantness in a more positive and productive way. You think the best is going to happen, not the worst. Positive thinking often starts with self-talk.
