Black+Decker Irons & Steamers - Walmart.com

BLACK+DECKER steam irons feature soleplates that are made of nonstick, aluminum, stainless steel, or ceramic materials. Stainless steel and ceramic models are slightly more expensive, but they glide more easily along clothing and fabrics than models with a nonstick or aluminum material. A stainless steel soleplate is usually the most durable, too.

The Black & Decker Steam Advantage is an iron with added features. It can be used for dry ironing, steam ironing or as a steamer on clothing that is draped on a clothes hanger. It's amazingly convenient and even has a self-cleaning feature that ensures that the Steam Advantage stays in good condition for a long time.

How to Use a Black & Decker Steam Iron Advantage | Hunker

The Black & Decker F67E is a cheap iron but with a difference. It has a classic look like the one that your grandma used to have. The old school design would not please everybody but more importantly, it works for the small price that you pay compared to the \$100 that you would spend on a Rowenta iron.
