The time frame a book is available as a free download is shown on each download page, as well as a full description of the book and sometimes a link to the author's website.

### Brilliant Bugs First Explorers

This game, and it's sister game Shining Pearl, are some of the most superfluous games I have ever played. I mean, yeah, if you play a remake of a game you already own, it will feel pointless, but while Diamond and Pearl were obviously made in 2006, they were great for the DS, while the remakes still feel like they're stuck in 2006.

Our easy bug hotel is probably as simple and as easy as it gets - there are many prettier and cleverer bug hotels out there, but sometimes, you just have to make do with what you have and also make it easy for the kids to join in. . So we made ours with "local materials" and avoided any drilling or cutting tools. Perfect garden crafts for young children!
