It is the first Business Ethics book (that I know of) to use film as a mode of explaining ethical issues. Using film makes the course more relatable to the student - and they're more apt to keep the ethical conversations going with their friends, family, and colleagues, long after the course is over.

Business Ethics through the Lens of Movies | Higher Education

There are lots of ways you can learn about ethical issues in business. You can do some reading. You can take a course. But hey, it's summer, so let's talk movies. Here's a list of my 5 favourite business ethics documentaries. Granted, these aren't exactly great date movies. Nor are they action-packed blockbusters. But trust...
