ENVISIONING FREEDOM: Cinema and the Building of Modern Black Life" (Harvard University Press, 2014) is a valiant and insightful rectification of the White-washing of the history of early cinema. With methodical attention to detail and engaging prose that brings the conflicts and the characters of history to life, Caddoo corrects the omission of Black people from the narrative of the early history of cinema.

I am an historian of film, mass media, race, and African American history. My first book, *Envisioning Freedom: Cinema and the Building of Modern Black Life*, is a history of early African American cinema from the 1890s to the 1930s. In the late nineteenth century, an era marked by mass migration and Jim Crow segregation, African Americans were pioneers of American cinema.

“Race film” is a designation applied to films produced for African-American audiences, between about 1910 and 1950. As we explain in our expanded definition, the borders of the race-film industry are complicated and porous, but race filmmakers nevertheless constituted a distinct community of practice.. Very few of these early films survive, so evidence of this community of filmmakers has ...
