CASE STUDIES - AMS Limited

LBO case studies are possible, but more likely for experienced candidates. I haven't seen that many examples of time-pressured valuation/DCF-based case studies. They tend to be more common in investment banking case competitions, where you work in a team and you have days or weeks to finish. The case study I'm covering here is based on a 3 ...

They did not tell me what the prima facie case is and did not argue each element of the case using the facts in the case study. I also cannot tell if the student read the book/PPT or did no work at all, as this answer could be an opinion. A passing answer would be: • Duty: Did the tortfeasor owe a duty of care to the injured party? . o Yes/No.
