CAT machinery Very important remark: The engine prefix (first three figures and numbers in serial number) is absolutely necessary information for correct engine identification. But your additional information (full serial number, arrangement number, where the engine is installed etc.) will help to avoid mistakes and save our and your time.

CAT Generator Manual & Parts Catalog - engine.od.ua

The first letters of the engine serial number represent your engine family and type code. These can be found on the engine data plate, or on your sales order acknowledgment. 2. How do I order a paper copy of OMMs? End users may order paper copies of service, maintenance and workshop manuals for all Perkins engines from their local distributor.
