Carl Schalk's vast experience as a teacher, author, musicologist, and composer makes him uniquely qualified to present this compact but insightful history of Christian hymnody in the Western Church. In it he guides the reader through the contributions, conflicts, and questions which arose through the successive periods in the development of Christian song from the Old Testament through the twentieth century.

### Singing the Faith: A Short Introduction to Christian Hymnody

Rediscovering musical reverence in worship in the 21 st century may be the key to a doorway, through which an age of beauty and the Church's eucharistic life can again disciple new generations of Christians; to imagine the Kingdom of God, to become forged into a peculiar people—a new nation of true worshippers—who sound with their poetry that they are not of this world, and to learn with one voice to sing in the beauty of holiness the reverence of the Church universal.

20th-century Protestant Hymnody. Accordingly, at the dawn of the 20th century, the hymnody of the established English-speaking Protestant denominations shows an understandable dichotomy. There are, on the one hand, the substantial hymnals containing metrical Psalms, the hymns of Watts and the Wesleys, Latin and Greek translations by Neale and others, and hymns drawn from Hymns Ancient and Modern.

### Hymns and Hymnals, I: Historical Developments ...

Hymnody in continental Europe developed from early liturgical music, especially Gregorian chant. Music became more complicated as embellishments and variations were added, along with influences from secular music. Although vernacular leisen and vernacular or mixed-language Carol were sung in the Middle Ages, more vernacular hymnody emerged during the Protestant Reformation, although ecclesiastical Latin continued to be used after the Reformation. Since then, developments have shifted between iso
