Communism For Kids

Communism is a type of government as well as an economic system (a way of creating and sharing wealth). In a Communist system, individual people do not own land, factories, or machinery. Instead, the government or the whole community owns these things. Everyone is supposed to share the wealth that they create.

communism - Kids | Britannica Kids | Homework Help

Communism is one form of socialism, which is a system in which the productive resources of a society are publicly rather than privately controlled. Communism was a major force in world politics for most of the 20th century: at one time, about one-third of the world's population lived under communist governments.
