Diploma Of Community Services CHC52015 | Online Or In Class

Seattle has a unique civil rights history that challenges the way we think about race, civil rights, and the Pacific Northwest. Civil rights movements in Seattle started well before the celebrated struggles in the South in the 1950s and 1960s, and they relied not just on African American activists but also on Filipino Americans, Japanese Americans, Chinese Americans, Jews, Latinos, and Native ...

Seattle Civil Rights and Labor History Project

Community-based approaches existed even before the existence of the state and its formal governance structure. People and communities used to help and take care of each other's disaster needs. However, due to the evolution of state governance, new terminology of community-based disaster risk reduction (CBDRR) has been coined to help communities in an organized way.
