Conversations with the Universe, How the World Speaks to Us with Simran Singh

Conversations with the Universe By Peter, February 18, 2014. Conversations with the Universe - How the World Speaks to Us. When I first started reading this book, I found myself almost about to put it down. The book is an interesting look into spirituality, a topic that I don't find easy to read about and consider.

Conversations with the Universe - Life in the Right Direction

Imagine the universe is a mind reader, and like a close friend, tells you exactly what you need to hear. And so began a very intimate journey of dialogue between myself and the universe, which evolved into leading Universe Hear Me workshops to help people ask for guidance, relieve stress , and build a healthier mind/body connection.
