Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

### Designing Disney A Walt Disney

Designing Disney sets into history and puts into context the extraordinary contributions of the late John Hench, who, at the age of 94, still came into his office at Imagineering each day. His principles of theme park design, character design, and use of color made him a legendary figure, not only for Disney fans but also for students and aficionados of architecture, engineering, and design.

### Home - Designing Disney

The late John Hench, a true Disney legend, came into his office at Imagineering each day, well into his ninety-fifth year. Although he passed away in 2004, his legacy continues to play an integral role in the design of Disney theme parks and attractions-just as he himself did more than fifty years ago when Walt enlisted him as one of his closest colleagues and confidants.
