## **Plague of the Daleks (audio story) | Tardis | Fandom**

This novel takes Team Tardis (Bill, Nardole, and the Doctor) Back in time to Scotland during the worst Plague history has ever seen. The story is dripping in atmosphere, detailing the devastation of the plague but also adds that alien element that is so very Doctor Who.

## **Doctor Who: Plague City by Jonathan Morris**

A plague doctor was a physician who treated victims of the bubonic plague. In times of epidemics, these physicians were specifically hired by towns where the plague had taken hold. Since the city was paying their salary, they treated everyone, wealthy or poor. However, some plague doctors were known to charge patients and their families additional fees for special treatments or false cures.

Flawed Science, Flawed Suit. The primary responsibilities of a plague doctor, or Medico della Peste, were not to cure or treat patients. Their duties were more administrative and laborious as they kept track of casualties of the Black Death, assisted in the occasional autopsy, or witnessed wills for the dead and dying.

### **Why Plague Doctors Wore Costumes While Fighting The Black ...**

The plague doctor is arguably one of the most enigmatic figures to have emerged from the Middle Ages. These were European physicians who specialized in treating victims of the plague, the best known example being the Black Death. Plague doctors were public servants hired by villages, towns, or cities when a plague struck.
