### E30 Manual Swap Cost

Trust me you will be disappointed. In my opinion the smallest engine you should put in your E30 is a 2.8L M52. The simplest and probably most economical engine to swap in is a 3.0L S50 engine out of a 95 M3 primarily because it already comes with most of the OBD I hardware you will need for the swap.

### BMW E30 M50 Swap Instructions with Wiring chart

The BMW E30 V8 engine swap is a top choice for drifters, these engines deliver effortless torque capable of sending the E30's rear tyres up in a cloud of smoke very easily. There are much more unorthodox V8 engine swaps to explore for an E30 build, but for now, let's hang on to what morals we have left and talk exclusively about the BMW ...
