Project Gutenberg is a charity endeavor, sustained through volunteers and fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around.

Earth Science Tarbuck 12th Edition

I am currently taking an Earth Science/Physical Geography class which required the new 13th version of this book. This used 12th edition costed me \$7.50 shipped and the used 13th costs about \$75. While we don't rely heavily on our text book, my professor will point out specific pages, charts, graphs, and images to study for tests.

EARTH SCIENCE 12th Edition - amazon.com
