Greetings all, they gave me the USB cable 023-5100-970 for programming my radio EF Johnson Ascend ES, but do not have the driver for it. Can anyone tell me how to download the driver and if an update for the PC Set program as the version that I have is the 2.10.1. Thanks

### Ef Johnson Drivers | RadioReference.com Forums

EF JOHNSON ASCEND ES 51 EF Johnson 51SL ES EF Johnson 5100 As far as the 5100s go the model number doesn't really matter as far as the hardware goes. They are all the same hardware within a series. What really matters is the version between the 5100s.
