The printers work ok with the new computer the problem was that when you opened Epson Scan or Smart Panel it would not find the RX500 to scan with. I have solved the problem by downloading the drivers for Windows Vista and now it works just fine, the Scanning program finds the printer and it works just like it did before.

The Stylus Photo RX500 makes noise after ink cartridge installation. When you install ink cartridges, the Stylus Photo RX500 must charge its ink delivery system. Wait until it's finished (the message Charging. . . disappears from the LCD screen on the control panel) before you turn it off or it may use excess ink the next time you turn it on.
