### European Comparative Company Law

All European countries have undertaken extensive reform of their company legislation. Domestic reform has traditionally been driven by corporate failures or scandals. Initiatives to make corporate governance more effective are a feature of recent European law reform, as are measures to simplify and ease burdens on smaller and medium-sized businesses (SMEs).

### European Comparative Company Law: Andenas MA DPhil PhD ...

EUROPEAN COMPARATIVE COMPANY LAW. Recent attempt to harmonise company law within the EU have led to major European company law reforms. This examination of European company law uses seven European countries as case studies: the United Kingdom, France, Germany, Italy, Spain, Belgium and the Netherlands. Taking into account recent company law reform within these jurisdictions and the extensive action plan adopted by the European Commission, the authors consider EU Company Law Directives, the case law of ...

COVID-19: Temporary derogation to allow European companies and cooperatives to postpone their general meetings. The European Commission adopted on 29 April a proposal for a temporary derogation to the rules governing European Companies (SEs) and the European Cooperative Society (SCEs). The confinement and social distancing measures applying in the EU make it difficult for SEs and SCEs to organise their general meetings within six months of the end of their financial year, as is legally required.

### Company Law and Corporate Governance | European Commission

Comparative research, together with economic and empirical analysis, will thus contribute to an understanding of the real functioning of company law - a core task for the future of the European internal market, but also beyond in a globalized world.
