Evaluation of Inflammatory Bowel Disease, An Issue of Gastroenterology Clinics Authors: Samir Shah & Edward Feller & Adam Harris The Guest Editors have focused on methods of diagnosing and evaluating IBD to help guide optimal treatment to maximize clinical outcomes and minimize risks.

Evaluation of Inflammatory Bowel Disease, An Issue of ...

99m Tc-DTPA was found to localize in segments of bowel with inflammation due to ulcerative colitis, regional enteritis, and other forms of enterocolitis. The concentration of tracer was apparently related to the clinical activity of the disease process. Imaging with 99m Tc-DTPA may offer an appealing, noninvasive alternative for identifying and following up patients with
