A typewriter is a mechanical or electromechanical machine for typing characters. Typically, a typewriter has an array of keys, and each one causes a different single character to be produced on paper by striking an inked ribbon selectively against the paper with a type element. At the end of the nineteenth century, the term 'typewriter' was also applied to a person who used such a device.

Team Flare appears in X and Y. They are first encountered in Glittering Cave, where they attempt to steal fossils off the researcher working there, but are stopped by the player and Serena/Calem. This occurs without the researcher noticing. They next appear in a scene in Route 10, examining the mysterious rock formation. The Grunt defeated in Glittering Cave challenges the player to a rematch.
