**Healthy Children and Families -  
RWJF**

The State Government will be focusing on improving mental health outcomes for children as a priority over the next year. It follows the release of the progress update on the Our Children Can't Wait report by the Commissioner for Children and Young People earlier this year and today's release of the Chief Psychiatrist review into the case of Ms Kate Savage.

UNICEF supports primary health care,  
especially at the community level, to  
help achieve universal health coverage.  
We work to strengthen health systems  
to deliver integrated services for  
children, adolescents and women of  
reproductive age - focusing on health;  
nutrition; early childhood development;  
HIV and AIDS; and water, sanitation and  
hygiene. Our work also promotes overall  
health and well-being by focusing on  
education, child protection and social  
inclusion. Health in emergencies and ...
