2 user reviews on Genelec 6010A. All user reviews for the Genelec 6010A

User reviews: Genelec 6010A - Audiofanzine

The sub is designed to take advantage of boundary effect from the floor and nearby walls, but it has the same "bass tilt" controls as does the 6010A. Connecting the 5040A to the 6010As as a simple 2.1 system was easy enough, apart from the fact that you have to up-end the sub every time you need to adjust a control.

Test Drive: Genelec 6010A / 5040A Powered Monitors and ...

Small size, huge performance. When studio space is limited or you record on the move, the 8010A is your reliable monitoring companion. Don't be fooled by its affordable price tag and modest dimensions, the 8010A is every bit a Genelec pro monitor: uncoloured, accurate and powerful.
