Kung Fu movies, zombies, and graphic novels full of fighting and violence, you'll like Kagan McLeod's "Infinite Kung Fu." This 464 page graphic novel is light and fun entertainment, just like the old Kung Fu movies. I read it for the same reason I watch those old movies once in a while. Fun escapism reading.

**Kagan McLeod -
Goodreads**

Infinite Kung Fu is a love letter to the golden age of Kung Fu in the 1970's, but on the other hand contains a lot of very original ideas and execution. The artstyle is pretty cool - it's a western look, primarily black and white, but with a brush stroke style that gives almost a grayscale watercolor effect.
