### Ipad At Work In Easy

To be honest, this isn't the first time I've tried to use an Apple iPad for work. I tried before with an Apple iPad mini 2 but that was ages ago, and it was even more painful then than it is now. Starting from scratch isn't as bad as it was before and setting up a new Apple ID is fast and easy now (the App store didn't demand my credit card number before letting me download Google Docs ...
