Abu Muhammad al-Maqdisi - Wikipedia

Pragmatism is a philosophical tradition that – very broadly – understands knowing the world as inseparable from agency within it. This general idea has attracted a remarkably rich and at times contrary range of interpretations, including: that all philosophical concepts should be tested via scientific experimentation, that a claim is true if and only if it is useful (relatedly: if a ...

Pragmatism (Stanford Encyclopedia of Philosophy)

In recent years, more attention has been devoted to highlighting how autonomy and authenticity can come apart (e.g. Oshana 2007; Roessler 2012; MacKay forthcoming). Some argue that authenticity demands more than is necessary for autonomy: a person does not have to reflectively endorse key aspects of her identity in order to qualify as ...
