Journey To Hell, is a book about the deplorable conditions inside the Venezuela prison system, as experienced by the author, a British or Scottish citizen, for me it was unclear which country he was from. The two most amazing things about this book are: 1. The author appears to be the dumbest drug smuggler on the planet, having been given multiple opportunities to bail out or alert authorities to what he was being "forced" to do, he instead chose to go through with it.
