But first, as has been widely discussed of late within the knitting community, the world of knitting is distinctly lacking in diversity. It isn't acceptable that in 2019 it is very difficult to find a knitting book published by a person of colour, or to find patterns featuring models that are not cis, white, and of certain 'acceptable' sizes.

Knitting, production of fabric by employing a continuous yarn or set of yarns to form a series of interlocking loops. Knit fabrics can generally be stretched to a greater degree than woven types. The two basic types of knits are the weft, or filling knits—including plain, rib, purl, pattern, and double knits—and the warp knits—including tricot, raschel, and milanese.
