The book takes up where the last one left off (Freefall: A First Contact Technothriller (Earth's Last Gambit Book 1)), so I would advise you, as others have, to read the first one prior to reading this one. The characters, who were already quite developed, continue to be explored in greater depth, and new characters are added.

Lifeboat & Free fall - Felix R. Savage Earth last gambit series (four books) Alright, to get the important caveat out of the way, this review applies only to the first two books in a series of four action-packed first contact techno thrillers. To this date, for better or worse I am quite ignorant of parts three and four.
