Study ...

Software engineering management is an evolving field with a growing body of knowledge, and thousands of books are available on the topic. I started reading more a few years ago, so as 2019 gets started, I thought I would take a look at some of the best software management books available. Most of these are pretty popular in the field, but some are a bit non-traditional, so bear with me.

Essential Reading for Software Engineering Managers - Karl ...

A Bachelor of Software Engineering (B.SE.) is an undergraduate academic degree (bachelor's degree) awarded for completing a program of study in the field of software development for computers in information technology. "Software Engineering is the systematic development and application of techniques which lead to the creation of correct and reliable computer software."
