World Public Library: Technically, the World Public Library is NOT free. But for \$8.95 annually, you can gain access to hundreds of thousands of books in over one hundred different languages. They also have over one hundred different special collections ranging from American Lit to Western Philosophy. Worth a look.

Minecraft The Official Annual 2014

Skins refer to the textures that are placed onto a player or mob model. Skins are divided into areas that act as the surface area of the character (for example, the front head area, left leg area, etc.). There are a total of 3,264 pixels that can be customized, with 1,632 on each layer. The second layer can be used to give the character glasses, hats, or other accessories (even a bigger head ...
